To my friends and colleagues:

It is with regret that at this time I must announce my resignation from the Willard Community Center Board of Directors.

Over the past fourteen years, I have gotten to know the organization from volunteer to employee to board member. Building relationships with the families, community members, staff, and colleagues that make Willard so special has been a cherished part of my life. Willard is a special place and it has been a pleasure and privilege to be part of the family.

In the future, I hope to stay abreast of all that is going on with Willard during the many transitions the organization is facing or will face in the near future, and pledge to continue to support the agency in any way that I am able. I am pleased to be exiting the board of directors at a time when the leadership of the organization has never been stronger.

Again, it has been my pleasure and privilege to work alongside of you all, and I wish Willard and all of you much success in the future.

Warmest regards,

Cole A. Pomeroy
