ABOUT THE PROGRAMS

Willard Community Center program is a licensed child care facility for 3-5-year-olds. With a very low teacher-to-child ratio, children feel safe, secure, and loved throughout the day. The curriculum focuses on developing your child's social/emotional, cognitive, fine, and large motor skills. Daily activities and weekly themes encourage multi-cultural awareness and parent involvement. Learning centers include age-appropriate math, science, language, literacy, blocks, dramatic play through indoor & outdoor times, and many more.
